Day arrival
Note that no transport from the Airport to MEDILS Conference Centre (the place where lodging and tuition will be provided) is organized by CSC and you are on your own.
Below the instructions for transportation from the Airport to the MEDILS Conference Centre:

Public transportation: From airport to the Main Bus Station
Croatia Airlines provides a bus directly from the airport exit station to the main bus station in Split, the ticket price being HRK 30 (approximately EUR 4).

Public transportation: From Main Bus Station to MEDILS
The main bus station is located in the east part of the Split ferry harbor and is close to the main train station.
From there one takes a 10 min walk to the western part of the harbor, near the St. Francis Church (Sveti Frane), where one can take two options:
  a) take a taxi; you would pay around HRK 50-60
  b) take a bus, local line number 12 which would lead you straight to MEDILS (ask the bus driver of passengers for the MEDILS station), the ticket price is about 10 HRK.

Taxi: From airport to MEDILS
Another option is to take a taxi directly from the airport to the Medils centre, particularly if you can team in 3 persons.
The price should be around 300 HRK, but we advise you to ask for the price in advance.

You will receive from the tCSC organizers your tCSC pack (instructions, booklet, tCSC badge, local tourist information) as well as your room key.
Note that the Medils centre is not a hotel per-se, rather a University meeting/conference center. The place is not manned 100% of the time. Rooms are standard student rooms: they are simple, and provided with towel, soap and shampoo. There is no hair-dryer in the rooms nor a laundry service.

Classes will take place in the Medils medium size lecture room and in the computer room for exercises. Direction will be provided when you arrive.

The exercise rooms will be provided with desktop computers for each pair of students. For personal laptops and other wireless devices, Internet wireless access is available in the Medils centre (common areas and rooms). No personal login information is needed to access the WIFI network.

- Lunches (18th to 22nd) and three of the six dinners (17th, 19th and 21st) will be taken at the MEDILS Conference Centre.
- The three other diners (18th, 20th and 22nd) will be taken offsite.

- On Tuesday 19th and Thursday 21st a free time period will take place between the morning and the late afternoon sessions. This free time may be devoted to learning, discussions with lecturers and/or recreational activities including sports and/or swimming in the sea.

- A special sports outing (Wednesday 20th afternoon) is proposed: it will consist of rafting on a river upstream of the nice Omis city, south of Split.

**ACTION requested from you:**
Take with you sport clothes and shoes, as well as a swimming costume. For the rafting, take with you sport shoes which can be wet, a K-Way or similar, light clothes (e.g. T-shirt) and warmer clothes for after rafting.

The weather is particularly unpredictable this spring. Expect a temperature between 18 and 25 degrees, more likely and hopefully sunny. But a rain coat and an umbrella may prove to be useful.

**May we remind you that:**
 Any extra cost incurred during the stay will not be borne by the school organization.
 Smoking is banned in the Medils centre.

I am looking forward to see you in Split.
Alberto & Yasemin
