

# Sebastian Łopieński

My first PC, 1991

World's first Web server, 2019

CERN School  
of Computing

Computer Security  
@ CERN

I hack into CERN systems

I send phishing to CERN people

I worry about others  
doing the same 🤔 😱

## My hobbies

sailing

kitesurfing on  
the board I made

and any  
outdoor  
activity  
with my  
family!

# Joelma Tolomeo

Management in CERN IT:

CERN School of Computing

IT Finance for the recruitment process

EU Projects - Finance in IT

*I enjoy working for the CSC, and having other roles on the financial IT management for the budget optimisation*

I also enjoy:

Meeting people,  
Travelling, reading,  
running, hiking, bicycling,

Capoeira,

Bodyboarding,

Dancing forró

# Jarosław (Jarek) Polok

## Data Centre Infrastructure Management

Software Engineer, Computing Facilities, Data Centre Operations team

&

## CERN School of Computing

Technical manager

Skiing and sailing
